

Baptist World Cult Evangelism

In the Bible Belt of America, Jehovah's Witnesses and Mormons boast that over 50 percent of their converts are Ex-Baptists. Not being able to answer questions like these is the main reason:

1. Did Jesus have a God? (John 20:17)
2. Was Jesus the first-born (meaning to a JW He was created) of every creature? (Col 1:15)
3. Is the Father the only true God? (John 17:3)

When these questions were asked of professing Christians, regardless of whether they had no Bible training, some Bible training (informal), a four-year degree, a master's degree, or a PhD, the results were the same. Ninety-nine percent of them could not answer all three questions correctly.

Teaching Christians at all levels how to answer critical questions about the person of Jesus Christ—without [proof-texting](#) or going outside the context of the verse—can be accomplished by learning and applying a few basic hermeneutical principles. The results will strength one's faith in the Word of God and equip the saints for the work of the ministry. Let's get started now! We would welcome the opportunity to come to your Mission Conference, Christian School, or Bible College and teach your people how to begin reaching the unreached at home and around the world. Contact us today and we'll be glad to serve you in any way that we can!
